ASSISTED OPERATIONS

We referred to this as the “Boneyard”.

THE SCOPE

THE GOALS

- **Assist in the removal of seized aircraft from the active runway.**
- **Disrupt the use of La Aurora airport by the drug trafficking organizations by enforcing U.S. regulations on N numbered planes.**
- **Provide training for counterparts to improve their investigative skills.**

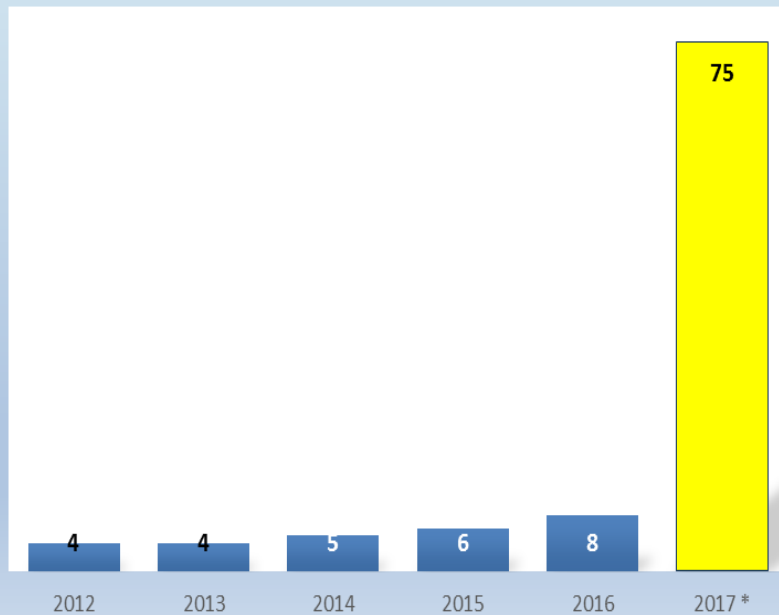

The benefits of conducting International Operations

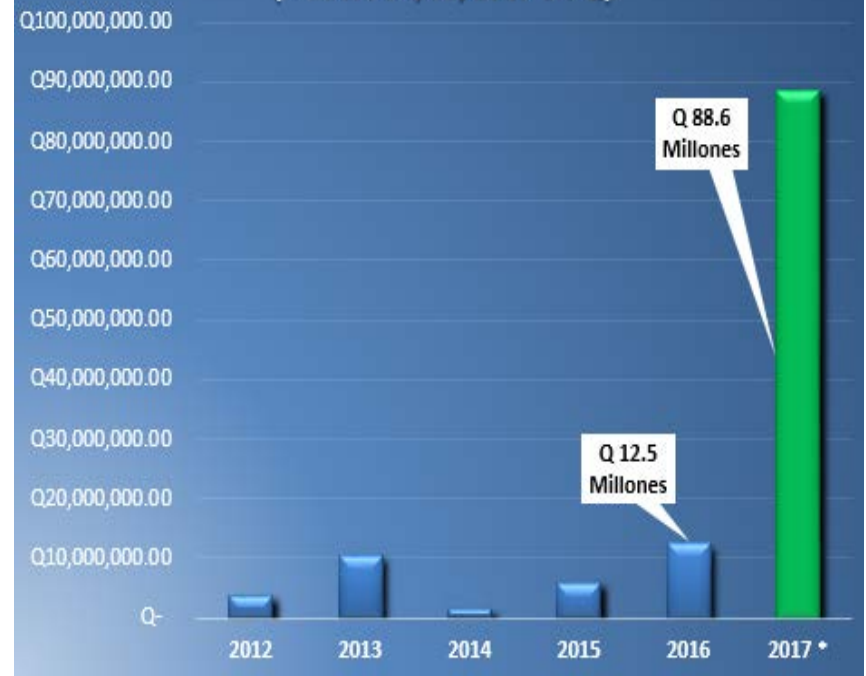

- **Improve security and to ensure that the airspace is safe.**
- **Increase tax revenue by ensuring planes are properly registered in host country**
- **Identify individuals involved in illegal activity.**
- **Improve communication with host countries.**
- **Improve information sharing on aircraft registration.**
- **Assist in the development of aviation laws and policies.**
- **Assisting in ICAO compliance**
